FINDING YOUR WAY TO IBA

Parking at IBA's building at Ålegården 2-4 and Nytorv 2, 6000 Kolding.

There are several parking options at Ålegården, in a number of public car parks. However, we are in the centre of the city, so these parking lots are also used by others. Therefore IBA has also decided to rent some extra parking space at the old SDU buildings at Engstien 2 (only a 5-minute walk away from IBA).

Please note that some of the parking lots require payment or a special license to use. You may risk a fine if you park illegally. Below, you can see your options for parking near to IBA.
